

Convenient New NIBAN[®] 40lb. Bag

Easier Profits. It's In The Bag.

One of America's most popular and effective professional pest control baits is available in an economical 40lb. bag.

The Durable NIBAN 40lb. Bag Helps PMPs Increase Profits...

- Decrease waste
- One way air release valve
- 40lb. bag has moisture/vapor barrier
- Field proven active ingredient (LD₅₀ of over 5,000 MG/KG)
- Ensured customer satisfaction

NIBAN Is Easy To Use ...

NIBAN is the one bait that will continue to work because NIBAN has no known resistance & insects can't develop resistance! And NIBAN's weatherized granules won't degrade from heat or sunlight and will last through two inches of rain.

NIBAN Has No Known Resistance...

For Interior and Exterior control of:

- Ants
- Carpenter Ants
- Cockroaches
- Crickets
- Silverfish
