

# MATERIAL SAFETY DATA FOR F-68 AND F-68 PLUS

## **A. Product Identification**

Active ingredient: Live soil micro-organisms  
Technical name: Beneficial bacteria, fungi, algae  
Description: Nutrient culture containing live organisms

## **B. Precautionary Label Information**

Caution: May cause mild irritation to eyes. Avoid contact with children.

## **C. Health Effects and First Aid Information**

Eye Contact: Direct contact may cause mild irritation to eyes. As with any foreign substance, immediately flush with water.  
Skin Contact: Harmless. Avoid contact with cuts or abrasions. Practice good hygiene.  
Ingestion: May be fed to livestock

## **D. Toxicology Information**

NONTOXIC

## **E. Physical and Chemical Properties**

Color: Light green  
Form: Liquid  
Specific gravity: 0.987  
PH (heat): 4.0 @ 68 degrees F.  
Flash point: None (PMCC) ASTM D-93  
Freeze point: Plus/minus 26 degrees F.  
Solubility in water: Very soluble-Total

## **F. Personal Protection Equipment**

Respiratory & skin protection: None required.

## **G. Fire and Explosion Information**

Flash point: None. (PMCC)  
Extinguishing media: Water. This product would not be expected to burn unless all water boiled away

## **H. Reactivity Information**

Incompatibility: No known incompatibility.

## **I. Spills and Disposal**

Wash off surface. Beneficial to environment.

## **J. Emergency Information**

This product is a non-hazardous material.

## **K. User's Responsibility**

This product's Material Data provides health and safety information. The product is to be used in applications consistent with our product literature. Individuals handling this product should be informed of the recommended safety precautions. The above information is believed to be correct but does not purport to be all-inclusive and shall be used only as a guide. Fenic Co., Inc. shall not be held liable for any damage resulting from handling or from contact with the above product.
